

Daniel Work

Performing Singer-Songwriter & Recording Artist (ASCAP)

Walk in the Rain

ORIGINAL ADULT-CONTEMPORARY SONGS

Daniel's songs, style and voice are often compared to Steely Dan, Tom Petty, Elvis Costello, Jackson Browne, Sir Paul McCartney, Journey, Randy Newman, Alan Parsons and Colin Hay/Men at Work.

His music is diverse - a result of the unique inspiration brought out by both his guitar, acoustic or electric, and piano-based song writing.

Each song reflects the imprint on his soul of popular mainstream music he loves, which creatively re-emerges as unique songs from Daniel's heart.

SINGER-SONGWRITER TRIBUTES

Many great recording artists have left us with beautiful memories, melodies and deep emotions that endure forever in our minds. With gratefulness to them, we enjoy paying tribute to those who have inspired us musically.

With latitude taken, we hope they'd enjoy our own creative interpretations of songs first written and performed by artists including...

**Jim Croce, Paul McCartney, Billy Joel,
James Taylor, John Lennon and America**

STUDIO SESSION

"ACOUSTIFIED" (OR ELECTRIFIED) ROCK-N-ROLL

Whether performing as a soloist, duet or with the whole band "Walk in the Rain" fans are sure to enjoy some flashbacks when hearing classic rock like...

**Steve Miller, Eagles, Huey Lewis, Dire Straits, Smashmouth,
Hootie, The Beatles, Stray Cats, Cars, Romantics and King Bees**

Depending on the gig, these songs are performed acoustified (all acoustic guitars) or electrified and are authentic, but interpreted versions you'll enjoy.
